Wide Format Laminators

Professional Cold Roll Laminators

Royal Sovereign's professional wide format cold roll film laminators with heat assist are engineered for the rigorous demands of the commercial print and sign market where reliability and high quality finishing are in demand.

Royal Sovereign Advantages

- **Fast laminating speeds of up to 28 ft./min**
- **Available in 65" and 55" laminating widths**
- **Mounting gap of up to 2"**
- **Unique FilmSaver system automatically senses when there is no media feeding into the rollers and slows down the rollers to save film waste**
- **High quality silicone rubber rollers**
- **Easy to use digital controls, rear remote control and foot pedal for hands-free operation**
- **Handles rolls of film and media up to 15" diameter**
- **Built-In front feeder and 2 rewinders (front and rear)**

Royal Sovereign's RSC-6500H and RSC-5500H high quality, professional laminators with top roller heat assist capabilities are specifically designed for users to easily and professionally finish wide format graphics such as banners, signs, POP displays, tradeshow graphics, posters, vehicle graphics, and much more. Backed by over 27 years of experience, a Royal Sovereign laminator is a smart option for today's sign shops. From lamination to mounting you can count on Royal Sovereign laminators to give you years of service and performance.
