

WOAF 200 gsm

Non-reflective large size poster paper

Work Of Art Frame (WOAF 200g) is a satin non-glare coated paper designed for large size poster printing with solvent, eco-solvent, mild-solvent, UV and latex inks.

Features :

WOAF 200g is a high quality coated paper especially designed for applications where a high quality non-reflective satin finish is required .

It is perfectly suitable for all kinds of large size advertising applications. A special coating and a satin non-reflective surface enable this material to provide top quality colour reproduction.

Benefits :

- Excellent paper stability
- Fast drying paper
- High resolution prints
- Ink-efficient
- Available in rolls up to 2m wide
- Suitable for solvent, eco-solvent, mild-solvent, UV and latex inks
- PEFC 100%
