

# Wall It 150/320gsm

Self-adhesive paper for wallcovering

Wall It is a self-adhesive wallpaper for high resolution printing with solvent, eco-solvent, mild-solvent, UV and latex inks.

## Features :

Wall It is a high quality coated self-adhesive medium especially designed for wallcovering applications.

It is also perfectly suitable for all kinds of large size advertising. It is tear-resistant and prepasted with a special glue and may therefore be easily bonded and stripped without any stains being left. A matt non-reflective surface makes for top quality colour reproduction.

## Benefits :

- Leaves no glue residue when stripped
- Roll to roll applications
- Non-reflective matt finish
- Excellent paper stability
- Fast drying paper
- High resolution prints
- Ink-efficient
- To be used with solvent, eco-solvent, mild-solvent, UV and latex inks
